

Insurance excess cover up to £1000

- We are delighted to introduce you to our excess guarantee for less than £70.
- We will cover the cost of your motor insurance excess up to £1000, which includes any voluntary, compulsory or young driver excess that is payable.
- It is simple - your vehicle benefits from our state of the art, purpose built body repair centre to get your car back on the road, looking and feeling as great as before, while your motor insurance excess costs up to £1000 are covered.
- Remember- as the insurance policy holder, it's your choice where your car is repaired, not your insurer's.
- When you take advantage of the Road and Race Guarantee, if you need to use our services in the event of an accident you pay no insurance excess.
- So for less than £70:
You get a year's peace of mind and you could save money on your insurance premium by increasing your policy excess.
- The cover is for drivers of all ages and for fleet vehicles.

Here at Road and Race we will handle all your vehicle needs as a one stop bodyshop. Why not visit
